

## Start Learning FREE to ELITE members

As on-the-floor clinicians, we know what you need to practice better medicine, provide better patient care, and ultimately save that patient's life. VETgirl certification is designed to give you the expertise that you need, geared for clinical veterinary professionals. Offered in unique tracks, these courses range from 12-60 hours of RACE-Approved CE for veterinary professionals.

VETgirl is proud to announce 11 unique course-series certificates in the areas of anesthesia/analgesia, emergency medicine (basic and advanced), fundamental principles (Spanish), feline urinary health, veterinary technician (Levels 1 & 2), ophthalmology, nutrition, exotic and small animal, and practice management.
